Exhibition of Photography Electronic Images

A.P.S. Approved Exhibition
2007/17

Supported by The Federation of
Camera Clubs NSW

INTRODUCTION

This is our first totally digital exhibition and as far as entries are concerned it has proven to be a great success. From this success, we plan to have a digital exhibition every other year, alternating with prints and slides and we hope you will all enter again. Judging was difficult owing to the high calibre of images, but our judges excelled and the results speak for themselves.

I would like to sincerely thank the members of the committee for their willingness and hard work to make this event so successful. Thank you to everyone who supported us by entering and congratulations to all the winners.

AWARDS

SSNEP Trophies are awarded for First place & Runner Up in each section. Merit Certificates at the discretion of the judges. All "accepted" entries will receive an Acceptance Certificate. All entrants will receive a catalogue and CD.

SPECIAL AWARDS

Best Image of Exhibition - APS Silver Medal
"Orangutang"
Jenni Horsnell. FAPS, AFIAP.

Most Successful Exhibitor - FCC Trophy
