Sutherland Shire
National

Exhibition of Photography
Electronic Images
2013

A.P.S. Approved Exhibition
2013/16

Supported by The Federation of
Camera Clubs NSW

INTRODUCTION

With the holding of the 25th Sutherland Shire national we can be proud of our 25 years of bringing the photographic artistry of Australia to both the local photographers and the rest of Australia.

The exhibition is again well supported and of high quality. We received 1422 images from 145 photographers from all parts of Australia.

We had an excellent group of highly qualified photographers on our judging panels and they undertook a difficult task in a professional and efficient way, we thank them for their efforts.

This is the second year of receiving entries by entrants uploading images. the system worked well thanks to the efforts of Martin Regan AAPS in developing, maintaining and operating the upload system.

I would also like to acknowledge the Federation of Camera Clubs NSW for their support and promotion of the exhibition and the various camera clubs for their assistance with venues for judging and presentation of the exhibition. In this regard any entrant receiving a copy of the Audio visual presentation is invited and encouraged to show it at their local camera club meetings.

I have been involved in running this exhibition from its inception and would, after 25 years, like to stand down, so I invite any interested photographers to put their hand up to assist in keeping this successful and well respected exhibition going for another 25 years.

John Newton SSAPS, EFIAP, FAPS
Exhibition Chairman
